## DRINK INNOVATION CHALLENGE #3

For the third time, the Gründungsfabrik Rheingau is launching an exciting competition for innovative and sustainable ideas for drinks of the future. There are cash prizes and a prototype production to be won.

We are looking for fresh ideas, creative brainstorming and lively approaches for a beverage of the future. You can approach the task from many angles. Is it a special taste experience or a product that is missing on the market? Does it contribute to health or is it simply fun? The only important thing is that your drink has an innovative character and that aspects of sustainability are taken into consideration. In this context, we recommend attending the workshop „Sustainable Beverages - how to go green“ with Prof. Dr. Moritz Wagner on April 16 at the Gründungsfabrik.

But it is certainly your incentive. Because the winning drink - in addition to EUR 1,500 in prize money - will win a prototype production and thus the crown of the competition: YOUR DRINK COMES TRUE!

The goal: The best ideas will pitch on June 6, 2024 at the final of the Drink Innovation Challenge 2024 as part of the MEET career fair at Hochschule Geisenheim University in front of an expert jury of representatives from the university and the beverage industry and will then be chosen. This is not only a great experience, but also offers exciting contacts in the industry. the way: Your application

## AFTERWORK JAM SESSION APRIL 18

### Every third Thursday of the month!

Since 2015, there has been a regular event for musicians eager for stage experience: Every third Thursday of the month, starting at 6 p.m., the Afterwork Jam Session takes place at the Waas.sche Fabrik in Geisenheim. Known far beyond the Rheingau for its diverse music offerings, local food and drinks, and of course, the cozy atmosphere, the event regularly attracts numerous musicians and an appreciative audience.

Instrumentalists and singers are welcome here if they bring a large dose of passion for their music because the joy of playing is more important than technical perfection. The level on stage ranges from ambitious amateurs to professional musicians. Beginners and people with little stage experience are also warmly welcomed.

Musically, we cover a wide range of styles, with the focus mostly on pop and rock. Therefore, we are delighted when jazz and classical musicians also find their way to us.

The Afterwork Jam Session is organized and carried out by volunteer members of the Friends of the Waas.sche Fabrik e.V. association with a lot of dedication, love, and passion – it takes place every third Thursday of the month starting **at 6:00 p.m.**
